

Saugeen Membership Online Survey

Bruce to Milton Transmission Line Dollars

Saugeen Chief & Council would like you to participate in this online survey to ensure all Saugeen Band Members both on and off reserve get a chance to express their wishes on how the Bruce to Milton Transmission Line Dollars should be prioritized. The questions within the survey will allow you to rate each category on a 1 star to a 5 star (1 being lowest priority and 5 being top priority). Along with rating the category, each question allows you to provide examples of what you envision for that category so please share your ideas. It's clear that all of these categories are hugely important however we ask that you ***please prioritize your top three concerns, giving them a 5 star***, this will help assist Council on which areas to work on first according to memberships requests. Upon completion of the survey, the results will be tallied and another community meeting will take place to review the results and further brainstorm on the top three priorities. Chi-miigwech for your participation, your voice matters!

WAYS TO ACCESS THE ONLINE SURVEY

Follow this link: <https://www.surveymonkey.com/r/J5K5FZL>
